

Notes Pures 2011 “**Coup de Coeur**”**

This vintage enchanted the Jury with its dual charm of fruity notes – tropical and citrus fruits – and generous, gourmand, fresh palate which draws to a long finish. An original wine, very well made, which can be appreciated immediately or over the next two years, served with poultry in sauce.

Notes d'Orphée 2009 **

The delicacy of Orpheus' music is reflected in this 2009, with its deep ruby hues. A multitude of aromas gradually release soft spices, dark chocolate, pepper then liquorice, ending on ripe cherries. Finally, you can savour currents alongside fine, slightly closed tannins, which allied with excellent freshness, suggest a capacity to age. Ready to drink now, it can marry with a *tagine* of lamb.

Sonatina 2009 *

Awarded with a star, this luxurious wine evokes aromas of garrigue and fine fruit with subtle tannins.
